ELI DRINKWINE, of Fairfield, lost a Pocket-book containing \$70 in the streets of St. Albans last Saturday. See advertisement.

ACCIDENT.—A Switchman, named Edward Tucker, in the employ of the Vt. Central R. R., at this place, was caught between two cars and badly squeezed in the chest this morning. Dr. Nichols was promptly called, and the injured man cared for. The Dr. thinks that no bones were broken and the injury will not prove serious.

RICHMOND MARKETS.—September 21. Cheese, 1,000 to 1,200 boxes at 141-2 to 151-4 cents per pound, and it is still coming in from the surrounding towns. Butter, not such a rush as cheese, but sold readily from 40 to 41-2 cents per pound. Marketing unusually active.

Gen. H. H. BAXTER, of Rutland, has donated to the public for a park, or common, the valuable piece of ground on Grove Street, and west of his princely residence. The General encloses and ornaments the grounds at his own cost.

TROUBLE AMONG THE EXPRESS COMPANIES.—The Troy Press says there is a high old time just now among our Express Companies. For three weeks past the Directors of the several Companies have been in session at New York, trying to arrange matters, but without any satisfactory result. The American Express Company has been a great sufferer, we believe, by the recent consolidation, and it is rumored that the Merchants' Union will be compelled to withdraw from the arrangement recently entered into. Things are working, and, if we mistake not, our people may expect to hear of some astonishing developments soon.

DEATH OF ROBERT HANAFORD.—The venerable Robert Hanaford, of Underhill, died in that town on the 6th inst., at the age of 101 years. He was probably, at his death, the oldest man in Chittenden County, if not in the State.

Mrs. Chas. Potter was released from the Chittenden County Jail last Thursday, her bail (\$5,000) having been furnished by Mr. G. A. Austin, of Burlington.

Field Crops.

Under this head there was one or two samples of grain exhibited at the late Fair. The examination and award of premiums on field crops do not come properly at the Fall Exhibition, but before the annual meeting in January.

As the whole crop has to be harvested and weighed or otherwise measured, it is not supposed that this can always be accomplished in season for the Fall Exhibition.

A detailed report of the soil, manner of cultivation, &c., is required, as those interested can ascertain on reference to the rules of the Society.

Those having samples of grain at the Fair are earnestly requested to present the same at the annual meeting next January, with the required report, when the Committee will endeavor to faithfully attend to their duties in this Department.

The reports can be sent at any time to the Secretary of the Society, or to the undersigned.

Now, brother farmers, the knowing how to produce good crops is a faculty worth possessing, and telling others "how to do it" is an act worth recording, so please send in the report.

I think the plan of offering premiums on seed wheat, oats, &c., as well as on corn and potatoes, distinct from field crops, worthy of attention.

For the Committee,

E. R. TOWLE,
West Berkshire P. O.

ROBBERY OF A VERMONTIER IN TROY.—We find in the Troy Whig of Friday, the following:

One of the contractors engaged in the construction of the Lebanon Springs Railroad, named J. C. Collins, arrived in town on Monday, and made his headquarters at the Union House, opposite the Union depot. He was accompanied by an intimate friend, and both occupied the same apartment. During Monday evening, Collins and his friend imbibed freely, and at a late hour were assisted to their room by some persons stopping at the house. On Tuesday morning, on awakening, both discovered that they had been robbed—Collins of \$700 in greenbacks and two watches, one gold and the other silver, both valued at \$50. His friend refused to state the amount of his loss. Yesterday, Mr. Collins called upon the detectives, and detailed to them the circumstances as herein stated. Officers English and Kirk immediately started out and soon after brought to the station-house two persons who were in the hotel at the time. The prisoners were searched, but nothing was found upon their persons to warrant their detention. They were accordingly released.

Mr. Collins is a resident of Bennington, Vt., where he is well known and highly respected. He started for home yesterday, well satisfied that his heavy loss was the result of his own indiscretion.

The palm of superiority is awarded to Mrs. S. A. Allen for her Improved (new style) Hair Restorer or Dressing, (in one bottle), and a grateful public appreciates the very low price, One Dollar. Every Druggist sells it.

NEVER TOO LATE TO MEND.—After nearly ruining your hair by the use of hard preparations, under the name and guise of "oils," apply Barrett's Vegetable Hair Restorative, which not only renews but restores it to its original softness and lustre.—Terre Haute Express.

Sciatica is a pain beginning at the hip and follows the course of the sciatic nerve, and is generally a purely neuralgic or nervous pain. To cure it, use Renne's Pain-Killing Magic Oil on the painful parts, and also in the hollow of the foot. If the blood be in a low state, a preparation of iron must be given at the same time—but the Magic Oil alone generally cures.

NEW ADVERTISEMENTS.

LOST. In this village, last Saturday, a Pocket Book containing about seventy dollars, and some papers. The finder will be suitably rewarded on leaving the same at the Transcript Office. ELI DRINKWINE.
